

Quality Products, Prompt Service, Trustful Relationships.

**SIEMENS**

**HAVELLS**  
powering lives

**KM Industrial Corporation** has established itself as a trusted supplier of **Electrical, Machinery and Industry Goods** for the last 20 years. We supply to various industries including but not limited to Power generation plants, Cement Plants, Rolling mills, Railways, Rubber Factories, Textile Mills, Construction Equipment Manufacturers, Oil Refineries, Hospitals, Hotels and Corporate across the length and breadth of the country.

We assure our clients of quality products and excellent after sales service. This way we believe we sell peace of mind and help our clients focus on their core business. Some of our clients in various industrial areas in New Delhi, Rajasthan, Madhya Pradesh, Bihar, Jammu and Kashmir have been associated with us for more than 10 years now.

Our superior knowledge of the products and our excellent relationships with our clients remain our biggest strength and guiding force in our business.

## *Specialists for*

- Control Panel Accessories
- Switchgears
- Contactors
- Relays
- Timers
- Rotary Switches
- Fuses
- MCBs
- Power capacitors
- Indicating Lights
- Push buttons
- Wires
- Cable Lugs
- Cable Glands
- Energy Meters
- Capacitors
- Motor Starters
- Motor Terminal Plates
- Motors & Pumps
- Slip rings
- All types of Carbons
- Holders and Brushes
- Generator Spares
- Oil Seals
- Coils
- Ball Bearings

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## PRODUCTS

## DESCRIPTION

### CONTACTORS

Brands Available

**SIEMENS**

### RELAYS

Product Highlights

- Ambient temperature compensated to operate between 5 - 60 degrees.
- Bi-Metal Relay, Over Load Relay, E/L Relay, IDMT Relays available

Brands Available

**HAVELLS**  
powering lives

**SIEMENS**

**Telemecanique**

### CHANGEOVER & ROTARY SWITCHES

These are used in low voltage distribution circuits, wherever continuity of supply is necessary or for switching to an alternate source of supply from main supply.

Product Highlights

- Compact construction
- Double break contacts
- Shrouded terminals
- Can be mounted with other products.

Brands Available

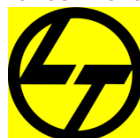

**HAVELLS**  
powering lives

### FUSE LINKS AND FUSE BASES

Product Highlights

- Excellent AC and DC performance
- Low watt loss
- Breaking capacity is sufficient for highest short circuit levels
- IS and IEC compliant

Brands Available

**SIEMENS**

**HAVELLS**  
powering lives

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## TIMERS

### Product Highlights

- Time range from milli seconds to minutes
- Come in Din enclosures for track or screw mounting
- LED indication for timing in progress
- Economic and Reliable

### Brands Available

**Telemecanique**

## MOULDED CASE CIRCUIT BREAKER

### Product Highlights

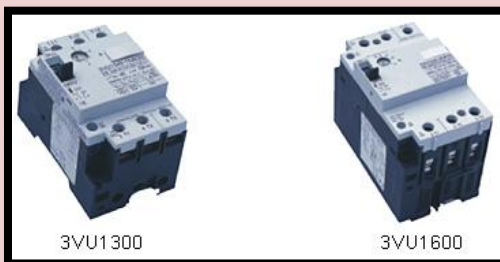

- Operating mechanism is quick-make, quick-break and trip free.
- Clear indication of 'ON', 'OFF' and TRIP' position.
- "Push to trip" facility to verify healthiness of mechanism.
- Rotary operating mechanism has door interlock facility.
- Housing is made of heat resistant insulating material.
- Silver alloy contacts have long electrical life.

### Brands Available

**SIEMENS** **HAVELLS**  
powering lives

## MOTOR PROTECTION CIRCUIT BREAKERS

### Product Varieties

- 3 Phase with thermal overload and magnetic short circuit release
- 1 Phase with thermal overload and magnetic short circuit release

### Product Highlights

- Conforms to IEC-60947-4-1.CE, UL approved
- Reliable protection against Overload, short circuits and phase failures
- High electrical life of 100000 operations

### Brands Available

**SIEMENS** **HAVELLS**  
powering lives

## MINIATURE CIRCUIT BREAKERS

### Product Highlights

- Single Pole, Double Pole , Triple Pole
- Contacts are made of Silver and hence provide long life
- Quick Arc Removal
- Available for a varied current range

### Brands Available

**HAVELLS** **hager** **legrand**  
powering lives

MDS

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## MOTOR STARTERS

### Product Varieties

- Direct on line starters up to 100HP
- Automatic Star Delta starters up to 150HP
- Manual Star Delta starters up to 20HP
- Reversing starters up to 20HP
- Mini starters 1Φ up to 3HP
- Mini starters 3Φ up to 10.0H

### Product Highlights

- Steel enclosure
- Powder coated to prevent corrosion
- Ambient temperature (-5°C to 55°C)

### Brands Available

SIEMENS

## FUSE SWITCH/SWITCH FUSES

Complete range of Fuse Switch & Switch Fuse units is offered to suit varied power distribution applications. The heavy duty Fuse Switches are fully type tested with short circuit breaking capacity of 80 KA at 415V suitable for utilization category AC-22A/AC-23A.

### Product Highlights

- Housed in deep drawn CR sheet steel enclosure
- Sheet steel enclosure duly phosphatised and powder painted
- Best quality brass, phosphorus, bronze components and ETP copper contacts are silver plated to improve the high conductivity
- Double break with side handle operation
- Suitable for surface mounting
- Provision of conduit knockouts and detachable gland plates
- Two external terminals provided to ensure complete earthing.

### Brands Available

**HAVELLS**  
*powering lives*

## CABLE LUGS/ CRIMPING TERMINALS/CONNECTORS

### Product Highlights

- Available in all sizes
- Made of Pure Copper and Aluminium
- Well Insulated
- Both fork shape and Round Shape

### Brands Available

**DOWELLS JAINSON ACTION SVS**

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## CAPACITORS

We specialized in complete range of medium and high voltage capacitors, TIBCON AC capacitors, ECOVAR power capacitors, Vishay current capacitors, high tension and electrolytic capacitors, energy and power capacitors.

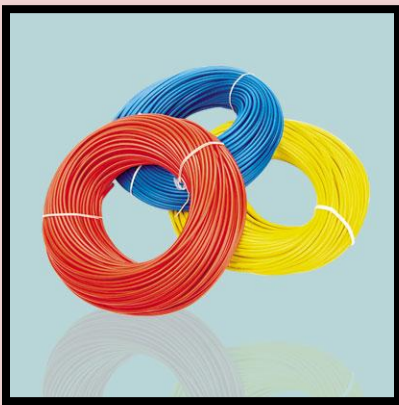

### Product Highlights

- Low Energy Consumption
- High Temperature Capability
- Available for a varied MFD range

### Brands Available

## WIRES

### Product Highlights

- Wires are ISI marked ,PVC insulated and have flame retardant properties
- Available in five common colours: Red, Yellow, Blue, Black & Green.
- Manufactured from bright annealed 99.97% pure bare copper conductors
- Insulation is far superior in terms of critical oxygen and temperature index and also in light transmission and acid gas generation.

### Brands Available

## VOLTMETER/AMMETER

### Product Highlights

- ISI marked products
- Available in different shapes and sizes
- Available for all voltage ranges
- Both Digital and Analog

### Brands Available

## CABLE GLANDS

### Product Highlights

- Accurately machined and finished parts
- Weatherproof, Corrosion Resistant and Flame proof
- Made from Brass, Aluminium and Steel

### Brands Available

COMET JAINSON

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## PUSH BUTTON ELEMENTS

### Product Variety

- Plush Spring Return Push Button and Auxillary Heads
- Projecting Push Button, Booted Push Button
- Mushroom head Push Button, Spring Return

### Product Highlights

- Conforms to IS and IES standards
- Works on wide Range of Operating Temperature
- Serrated Contacts Ensures Reliable Signal Transmission

### Brands Available

## AC/DC MOTORS & PUMPS

### Brands Available

## COUPLINGS & V BELTS

We offer accurately engineered V belts that are frequently demanded for their ability of higher productivity in several industrial purposes. We make these V-belts available in different sizes and can be customized as per clients specifications

We can supply all shapes and sizes of couplings.

### Brands Available

## SEALS

Our Mechanical Seals , Oil Seals, Water pump Seals are used by a large number of customers in Chemical, Pharma, Textiles, Milk Plants , Auto Industry, Oil refineries and Paper Industry

### Brands Available

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## CARBON BRUSHES

We are manufacturer and carry inventory of various Grades of Carbon Block such as Electro Graphite grade, Metal Graphite, Resin Bonded grade, Natural Graphite grade to provide you quantity Carbon Brush in Quicker Delivery period.

We offer all Indian and obsolete Grades of Carbon Brushes. Send us your requirement along with motor make type AC/DC frame size, HP, KW, etc to supply your Quality Carbon Brush at most competitive price

**Brands Available**

Our Own Manufacturing Label

## CARBON BRUSH HOLDERS

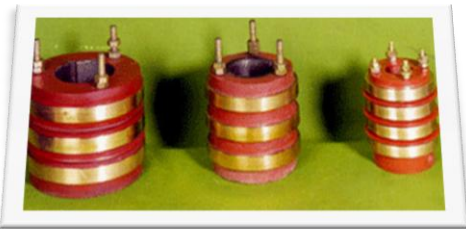

We can manufacture & supply any type of Carbon Brush Holder as per your drawing/sample/ specification within a short time. We offer our quality Brush Holders in various materials such as Brass, Gun Metal, Phosphor Bronze, Sheet Metal etc. as suggested by the customers having excellent spring tension. We carry a stock for Standard Brush Holder of different pocket sizes. We can also manufacture very small quantity of Brush Holders as per your requirement.

**Brands Available**

Our Own Manufacturing Label

## SLIPRINGS

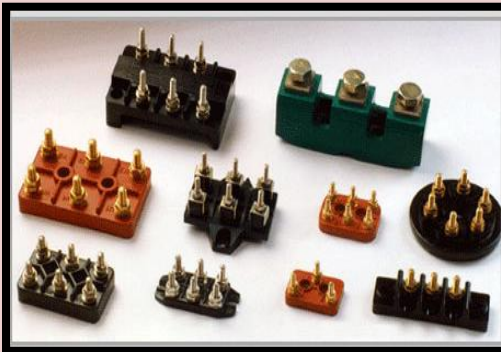

We can manufacture Slipring from size 1/2" to 24", No. of rings 1 to 32, Epoxy Molded, Fiber Glass Molded, as well as Fabricated unit, insulation class "F". The Slipring Ring Material available is Gun Metal, Brass, Phosphor Bronze, Stainless Steel etc. as per customer specification/drawing/sample in a short span of time.

**Brands Available**

Our Own Manufacturing Label

## TERMINAL PLATES

We manufacture and supply any make, type, design of Terminal Plate as per your requirement. For standard Indian make motors please give motor details. For obsolete and imported motors please give detail drawing or Burn out sample

**Brands Available**

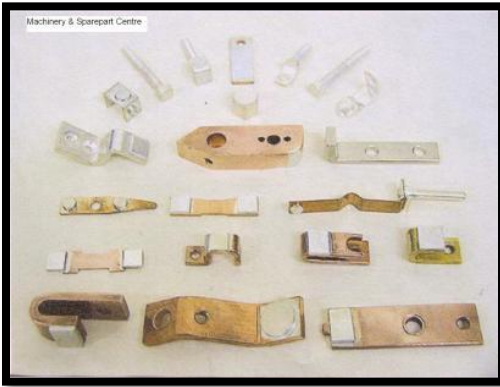

**SIEMENS**

# KM INDUSTRIAL CORPORATION

Manufacturer and Supplier of Electrical and Machinery Goods for over 20 years

## SPARE PARTS FOR STARTERS

We manufacture all type of fixed, moving, arcing and any type of contact for OCB, NSD, ATS Starters and MCC Feeders. The material available is Copper, Brass, Bronze, Silver Tipped and Plated.

### Product Variety

Copper Patti, Moving Drum Contact, Handle, Sequence Shaft, Over Load Coil, Bakelite Bush, Resistance, Desh Pot Assembly, Springs, Rotor Contact Assembly, Catch and Lever Lock, Insulators and many more.

### Brands Available

Our Own Manufacturing Label

## COILS

We manufacture Solenoid Coils for Solenoid Valve, Magnetic Coil, Pull-In-Coil, No Volt Coil, Overload Coil, Brake Coil and any type of Coils as per your sample, drawing and specification. The material available is Bakelite, Epoxy and Fibreglass Moulding. We also supply coils for all major brand of starters.

### Brands Available

Telemecanique

SIEMENS

## LIMIT SWITCHES

### Product Highlights

- Designed to withstand tough Industrial environments
- Large variety of operating heads and levers provided
- Pre wired and factory sealed
- Known for Ruggedness, Durability and ease of Installation

### Brands Available

Telemecanique

SIEMENS

## BEARINGS
